

***New this year: Roku TV & Bluetooth 37" Soundbar in basement living area. Please note, the soundbar does not have a remote and is NOT attached to TV. Quick Start guides for both are also attached.***

**To checkout:**

- Please close and lock all doors and windows
- Turn heat down on all thermostats to 60 (including fireplace)
- Turn off all lights
- Return remote controls to near the TV's (***total of 4: one for Roku TV downstairs, three for TV, DVD & soundbar upstairs***)
- Take out potentially smelly garbage and place in receptacles in front of the house
- And, please do not place decompose-able garbage in the trash compactor.
- Return ski passes to customer service before they close on the day you check out.
- Return parking passes to the kitchen counter for the next guests (**if applicable**).
- Unplug coffee maker, toaster and any other kitchen appliances
